

INDIA FOOD & BEVERAGES MANUFACTURING Conference

Scaling Success in Food Manufacturing

Solutions for a Growing Market

 **17 May**
2025

 **PIECC**
Moshi, Pune

Conference Agenda

09:00 AM Onwards: Registration & Networking

11:00 AM – 11:30 AM: **Opening Address**
Theme: Setting the Stage: Transformation in Food & Beverages
Manufacturing and Technology

11:30 AM – 12:30 PM: **Panel Discussion - I**
Theme: Future-Ready Food & Beverage Manufacturing: Overcoming
Challenges with Innovation

- Tackling rising production costs and raw material shortages
- Cost optimization: Reducing overheads without compromising quality
- Smart factories: AI-driven automation and robotics
- Sustainable sourcing and waste reduction strategies
- Enhancing productivity while minimizing operational downtime

12:30 PM – 01:30 PM: **Panel Discussion - II**
Theme: Innovations in Packaging & Bottling: Safety, Sustainability, and
Market Appeal

- Next-gen biodegradable and recyclable packaging materials
- Smart packaging solutions for traceability and consumer engagement
- Cost-effective and energy-efficient packaging and bottling processes
- Meeting export and domestic packaging compliance standards
- Consumer-driven trends: Minimalist and functional packaging

01:30 PM – 02:30 PM: Networking Lunch

Contact:

Himanshu Bhardwaj, +91-99990 13311, himanshu@futuremarketevents.com

02:30 PM – 03:30 PM: **Panel Discussion – III**

Theme: Optimizing Food Storage & Supply Chains: Cutting Losses and Enhancing Quality

- Cold chain logistics: IoT-powered monitoring for efficiency
 - Blockchain for transparency and food safety in distribution
 - AI-driven inventory management and demand forecasting
 - Reducing food waste through optimized supply chain strategies
 - Adapting to evolving global supply chain disruptions
-

03:30 PM – 04:30 PM: **Panel Discussion – IV**

Theme: Transforming Food Processing and Beverage Production for Market Success

- Precision processing techniques for higher efficiency and quality
 - AI applications in quality control and predictive maintenance
 - Energy-efficient and water-saving solutions in beverage manufacturing
 - High-speed filling and automation for improved production rates
 - Meeting evolving consumer preferences with innovative product development
-

04:30 PM – 04:35 PM: **Thank you & Visit to Exhibition**

End of Day
